

Pós-Graduação em Sistemas Computacionais Embebidos
Sistemas Operativos de Tempo-Real (PGSCE-SIOPTR)**Individual Exercise****Duration:** 1h:00m**Date:** 30/05/2026**Number:**_____**Name:**_____**Version:**_____

- It is mandatory to deliver all sheets;
- Select only one (the best) option per question;
 - If you want to change your option, write a sentence mentioning the new option;
- If your choice is incorrect, there is a penalty (1/3 of a correct question);
- You have to use the following tables for answering.
 - Use an "X".
 - If you want to change the chosen option, cross out such option and write the option to consider: "The answer is x "
